

Carbon Emission Reduction Strategies Effectiveness - Comprehensive Analysis

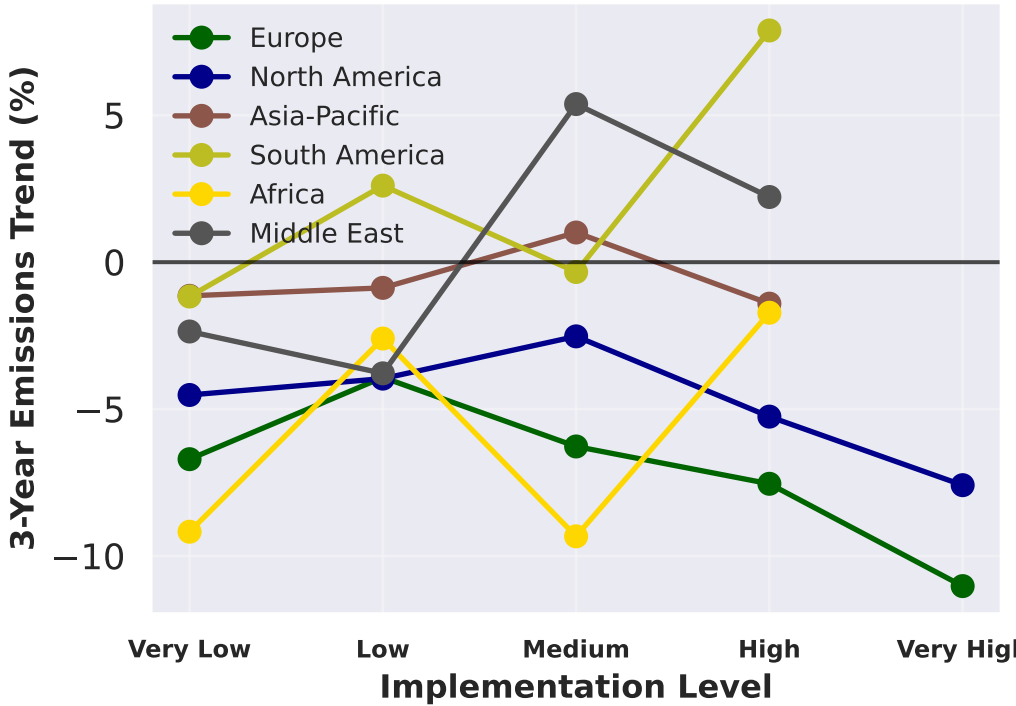

1.0 Combined Mitigation Strategies Effectiveness

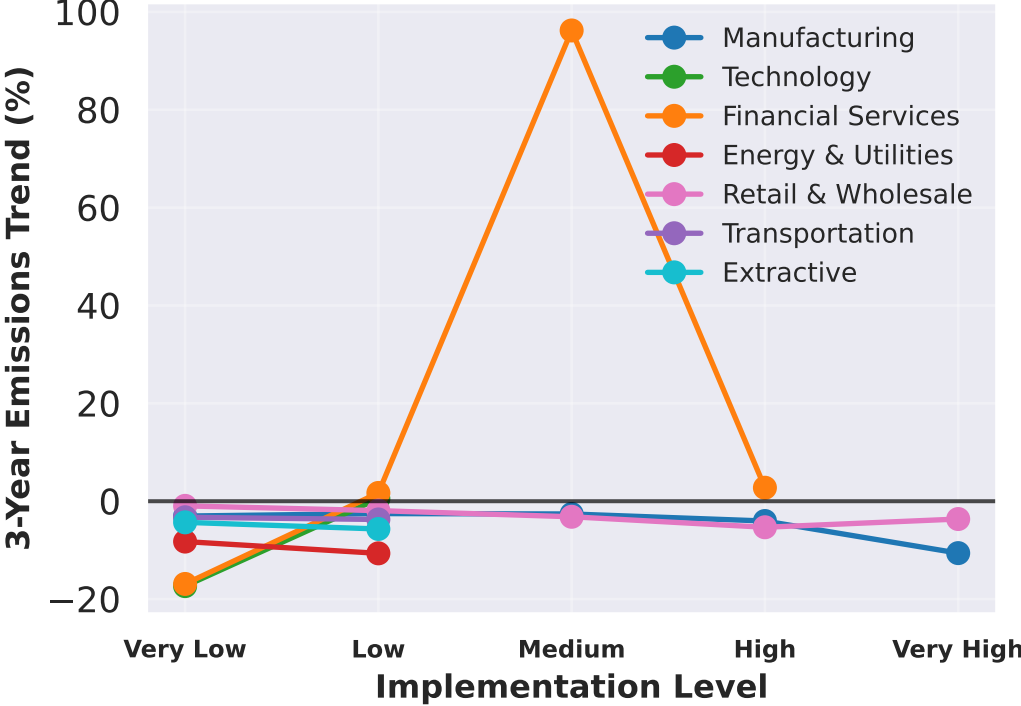

1.1 Combined Mitigation by Company Size

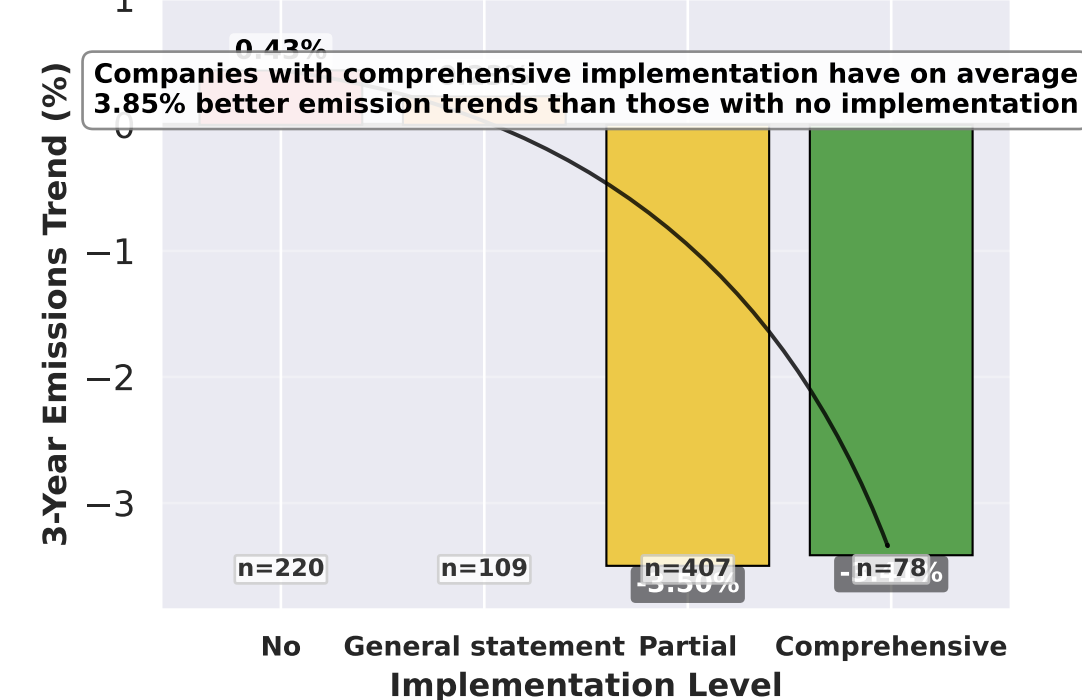

1.2 Combined Mitigation by Region

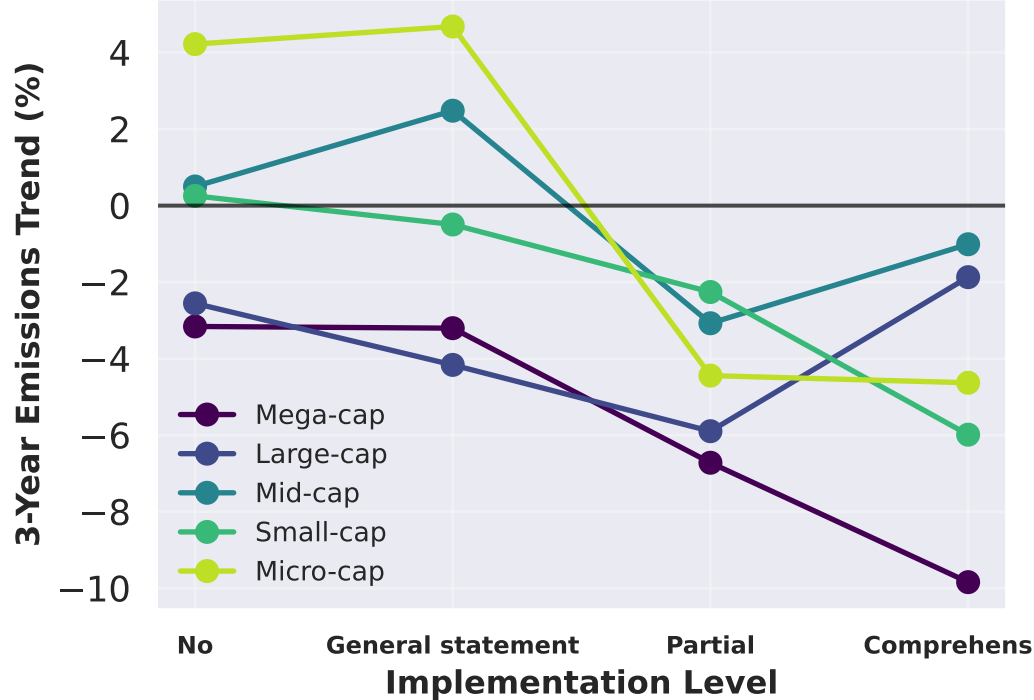

1.3 Combined Mitigation by Industry

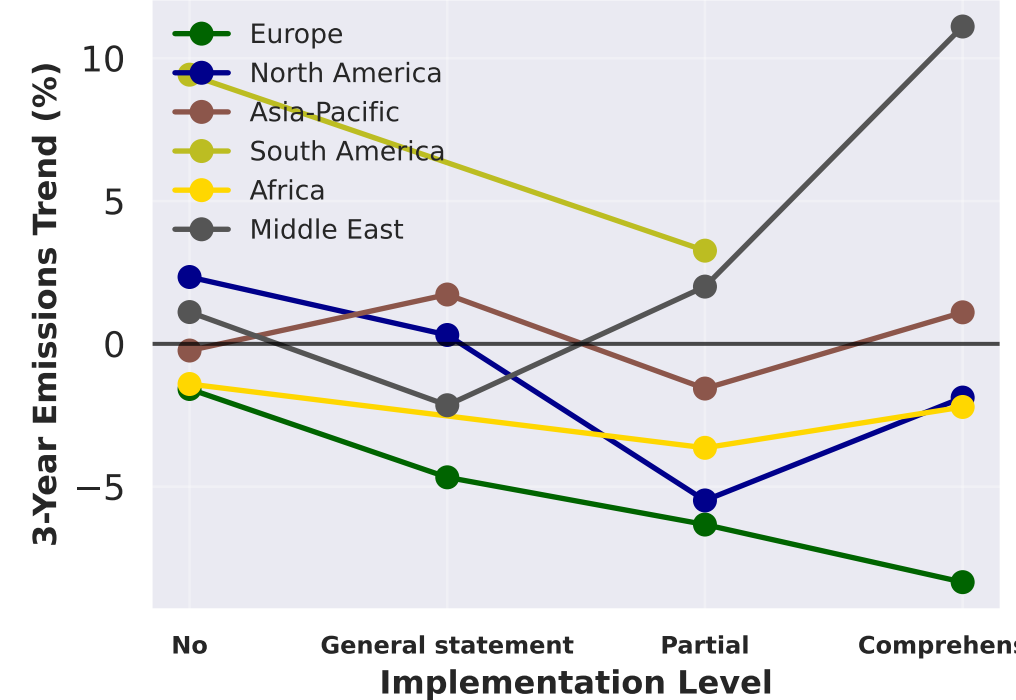

2.0 Distribution Strategies Effectiveness

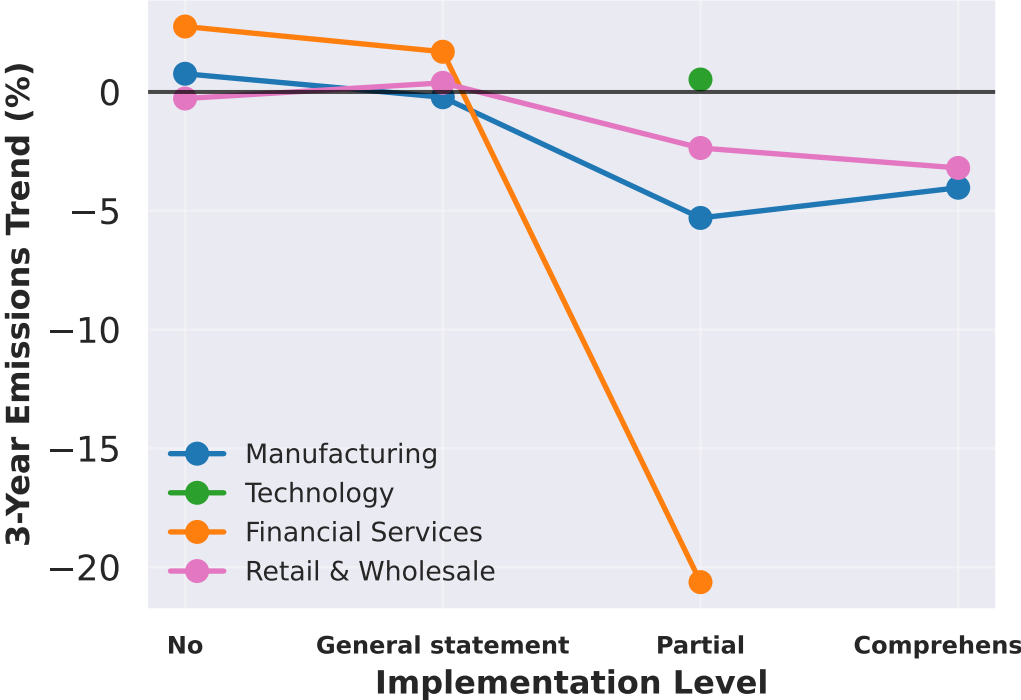

2.1 Distribution by Company Size

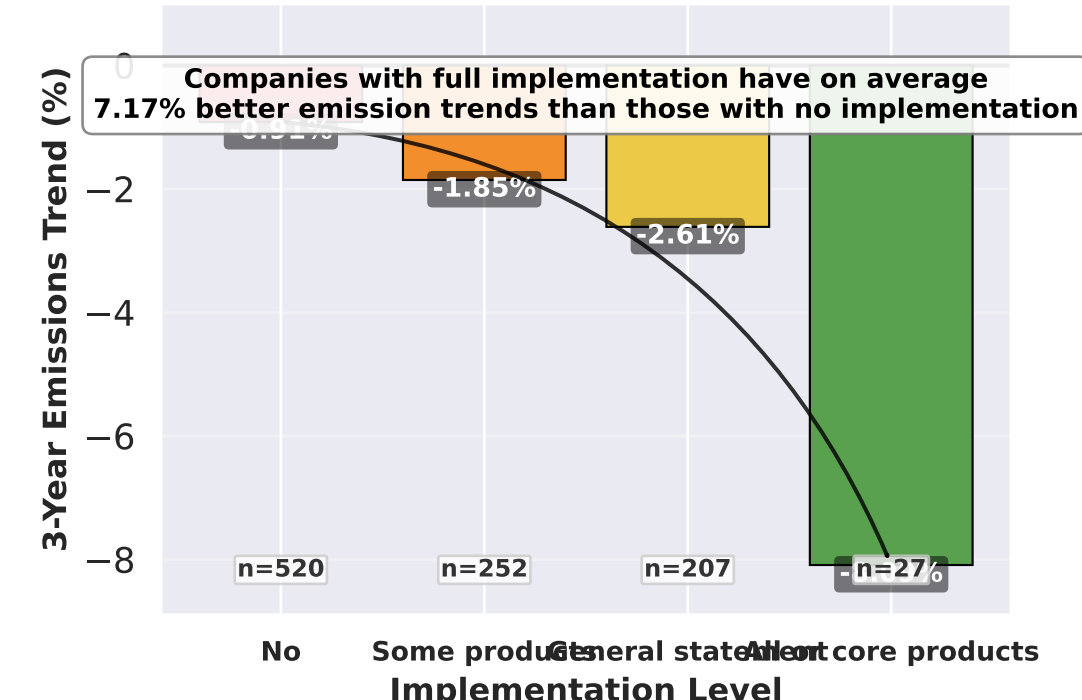

2.2 Distribution by Region

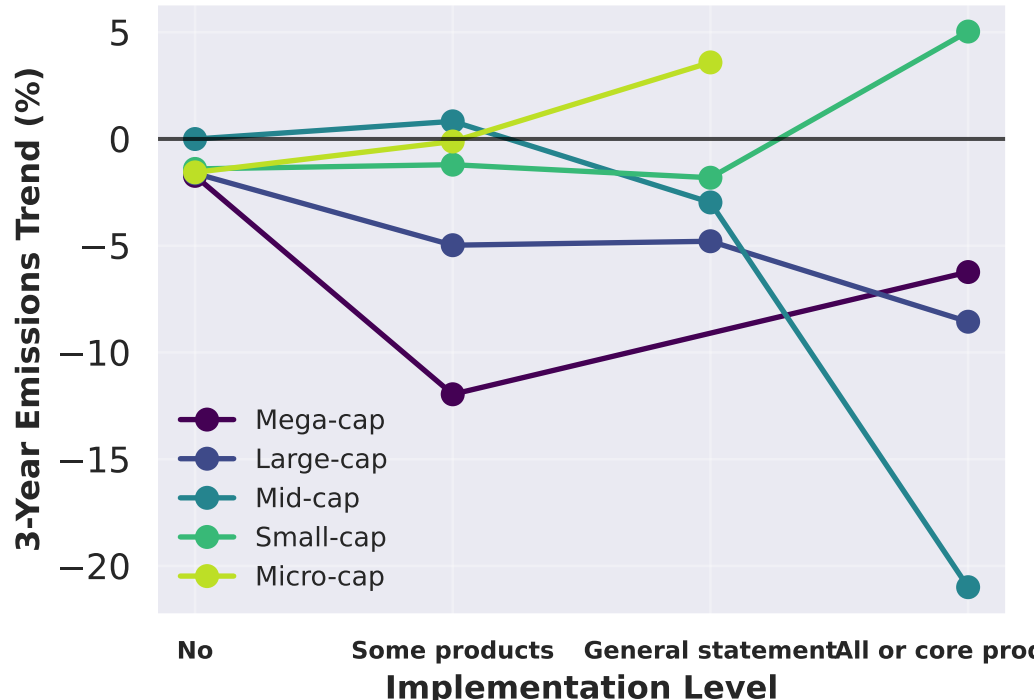

2.3 Distribution by Industry

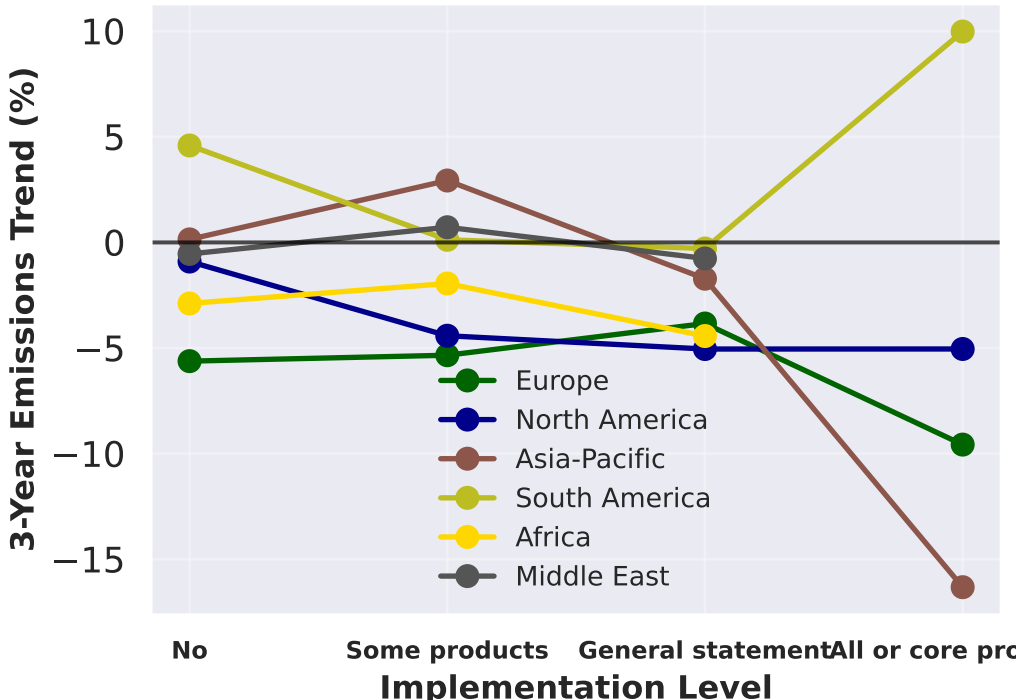

3.0 Raw Materials Strategies Effectiveness

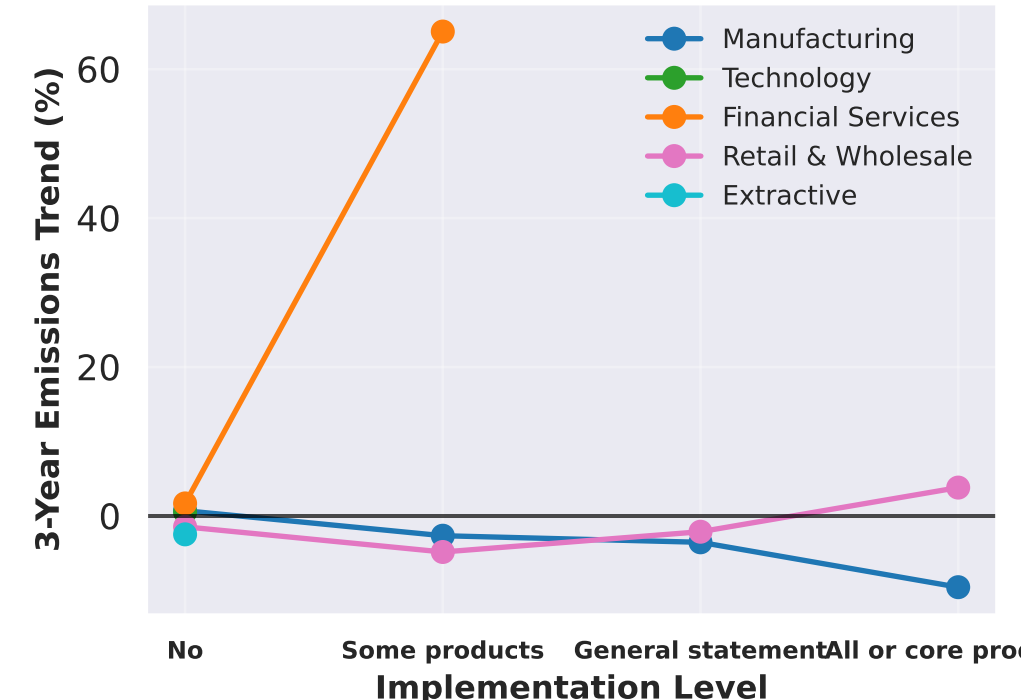

3.1 Raw Materials by Company Size

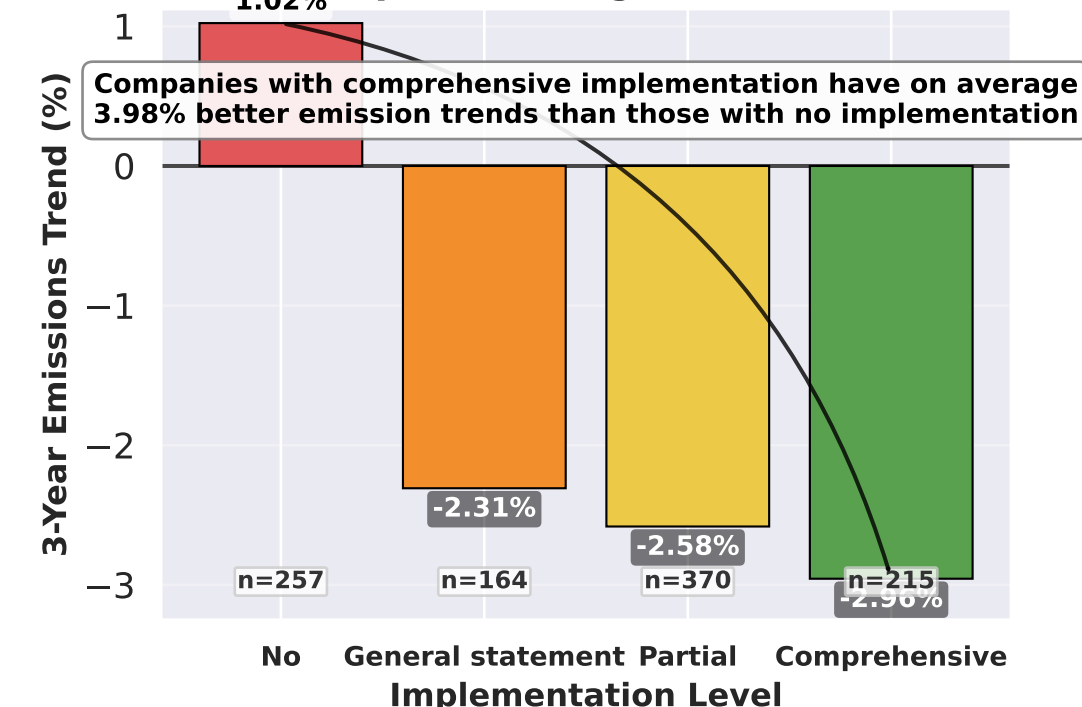

3.2 Raw Materials by Region

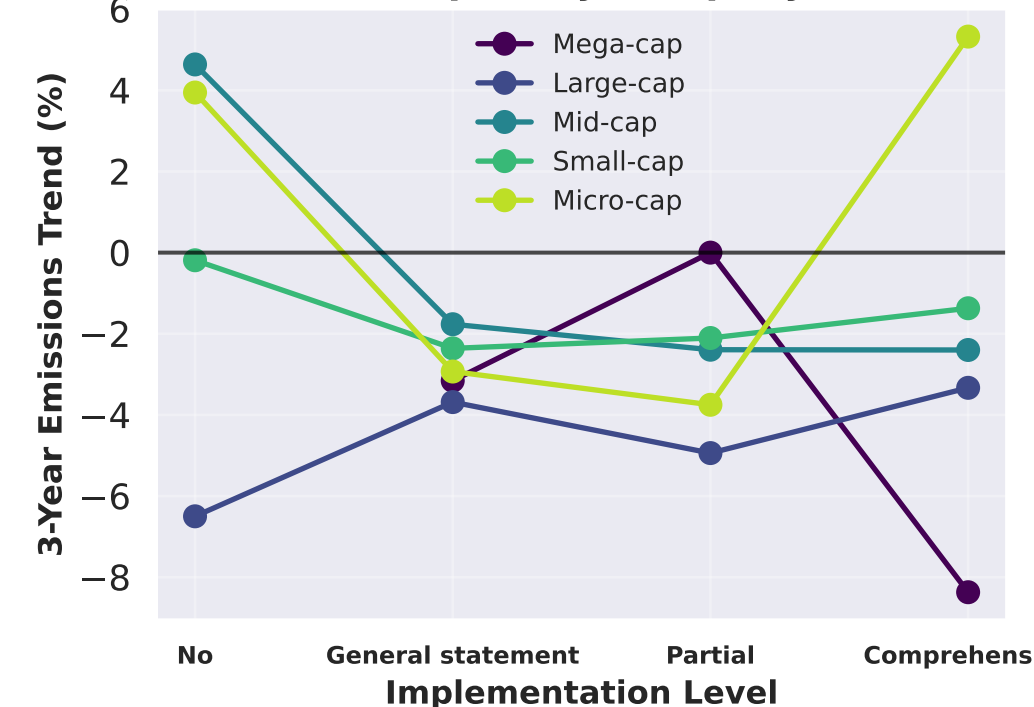

3.3 Raw Materials by Industry

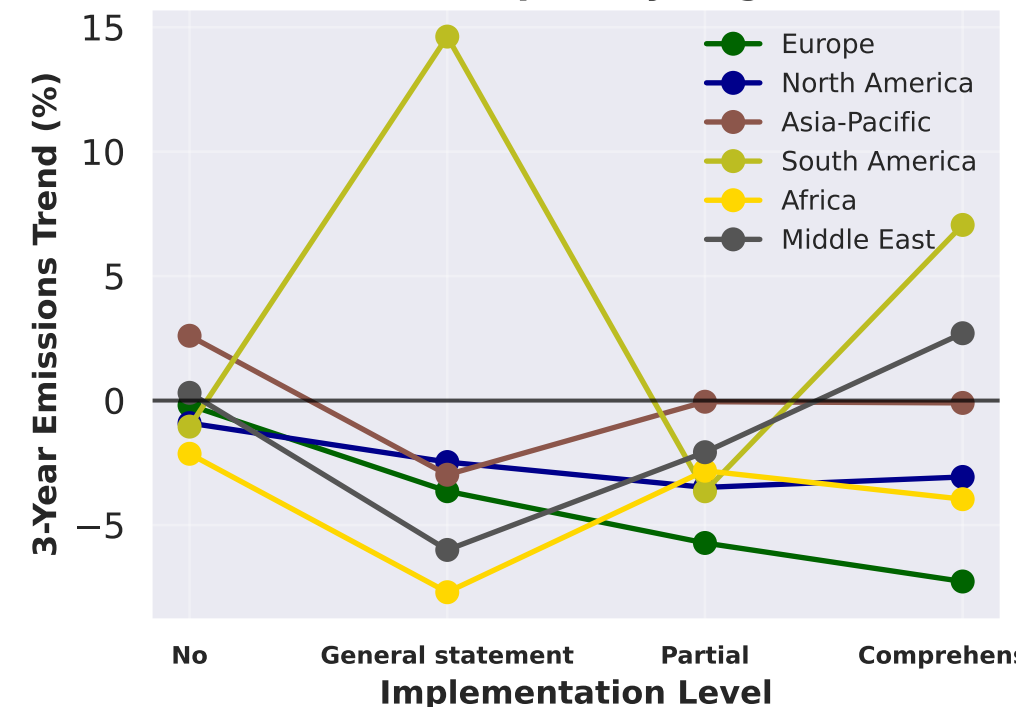

4.0 Transport Strategies Effectiveness

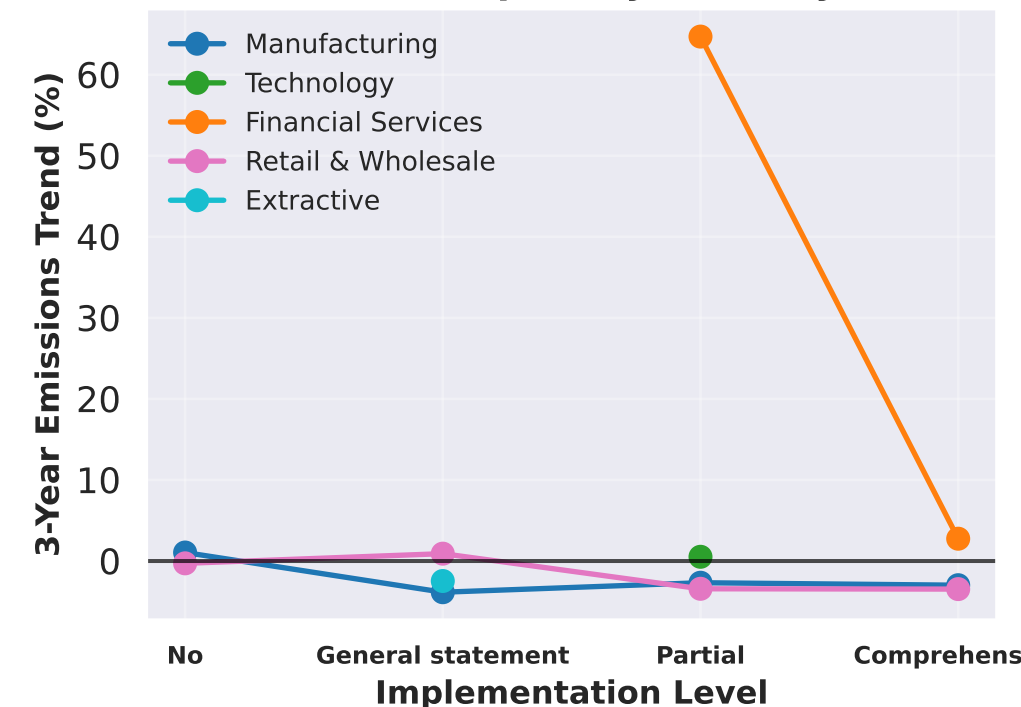

4.1 Transport by Company Size

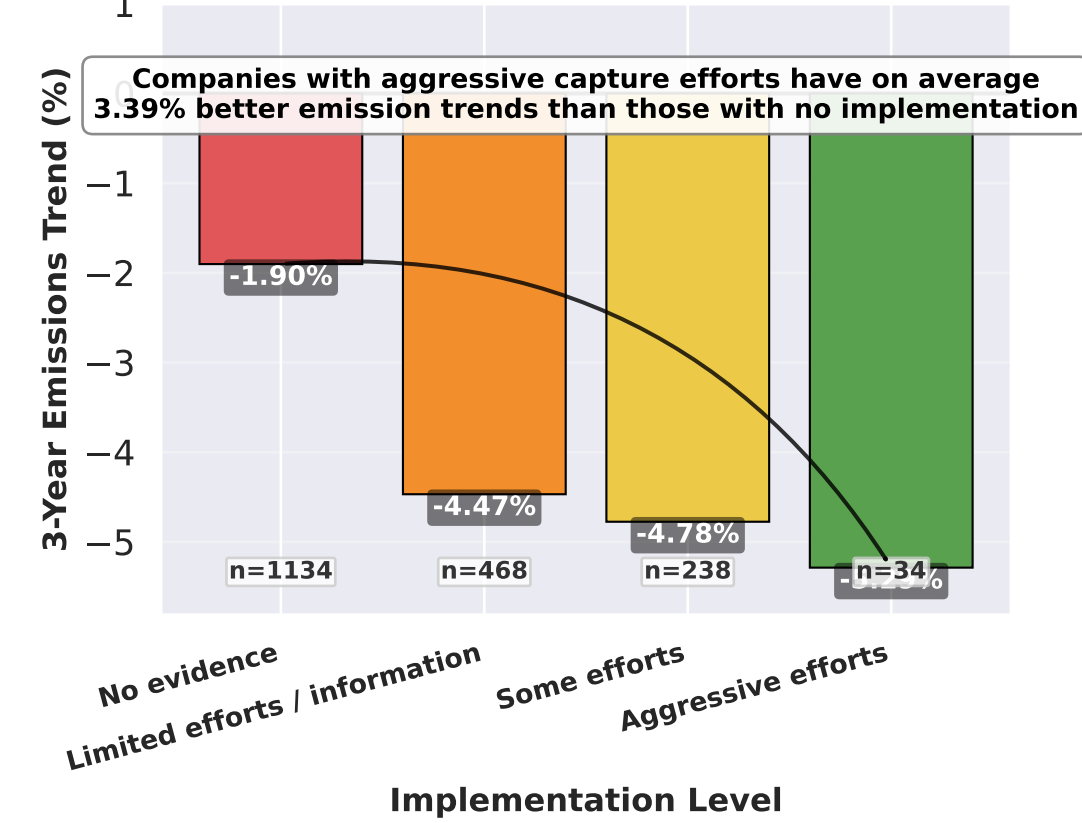

4.2 Transport by Region

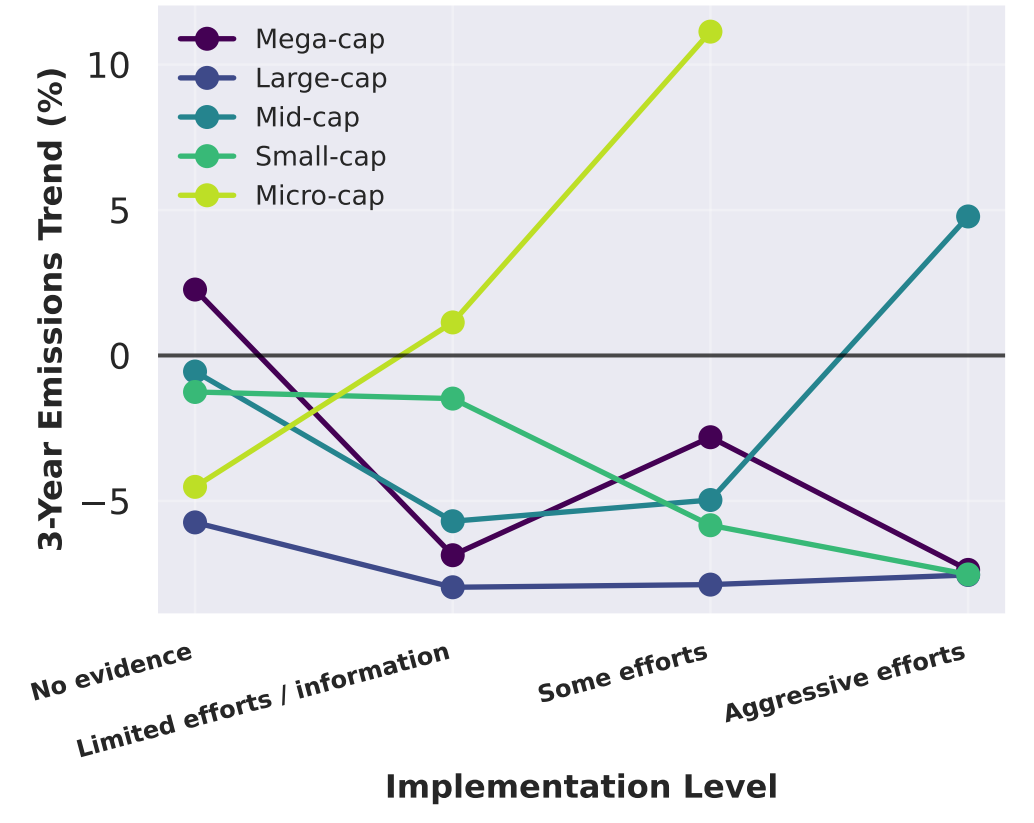

4.3 Transport by Industry

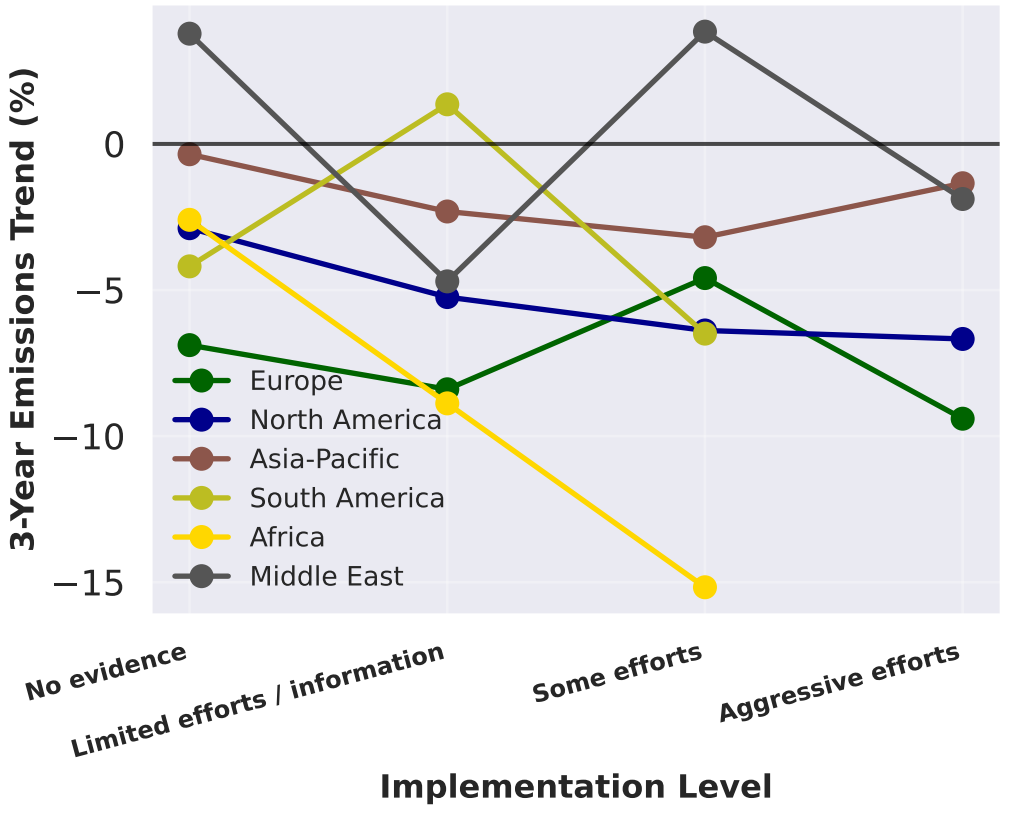

5.0 Carbon Capture Strategies Effectiveness

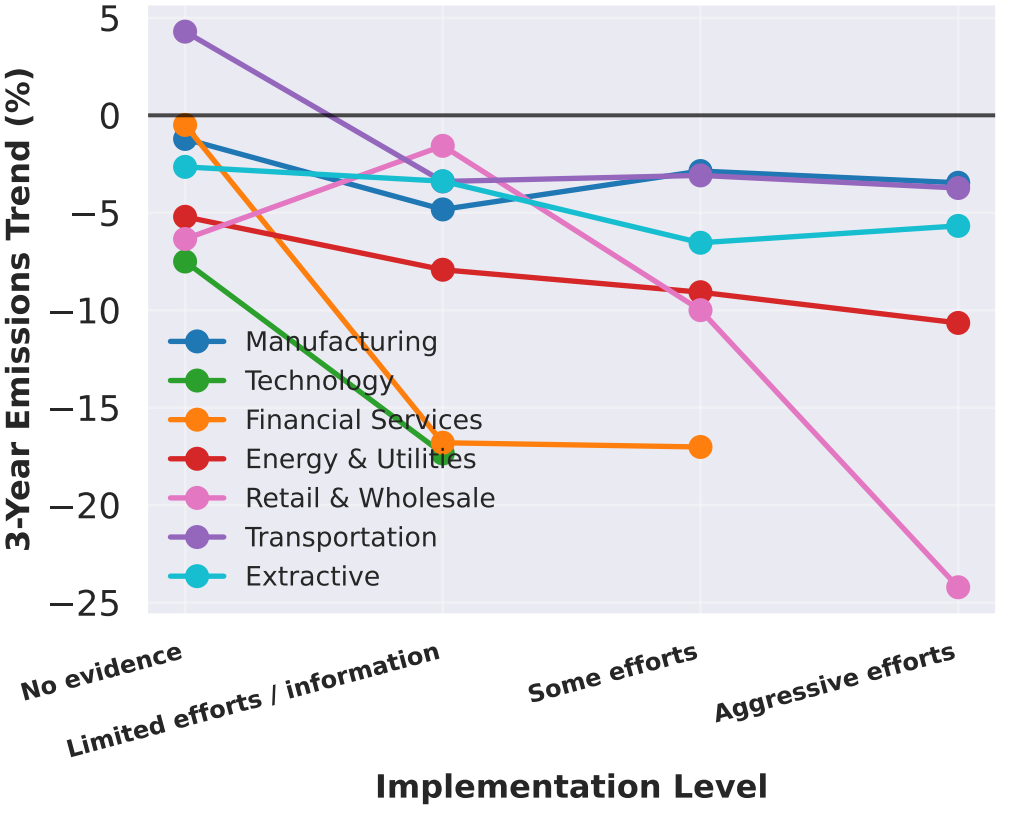

5.1 Carbon Capture by Company Size

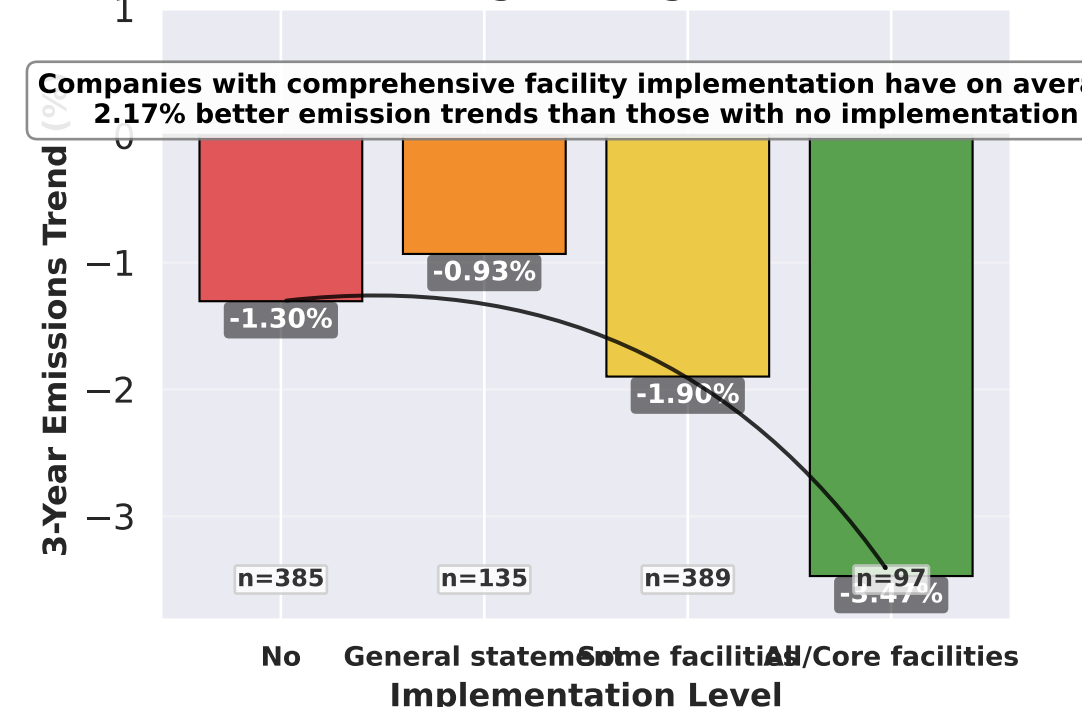

5.2 Carbon Capture by Region

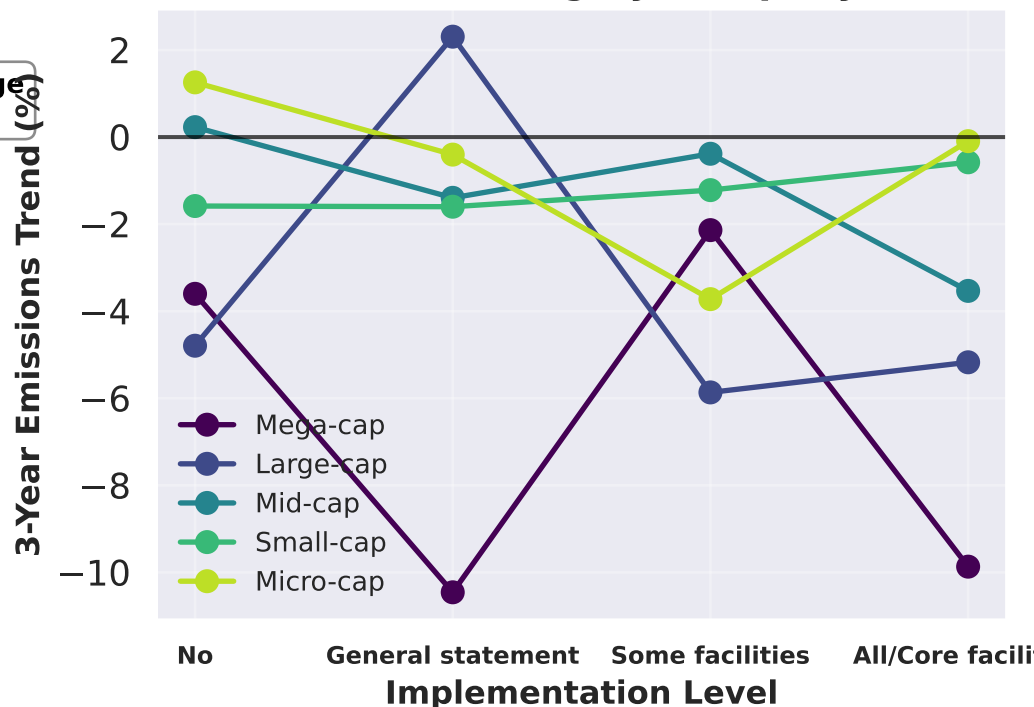

5.3 Carbon Capture by Industry

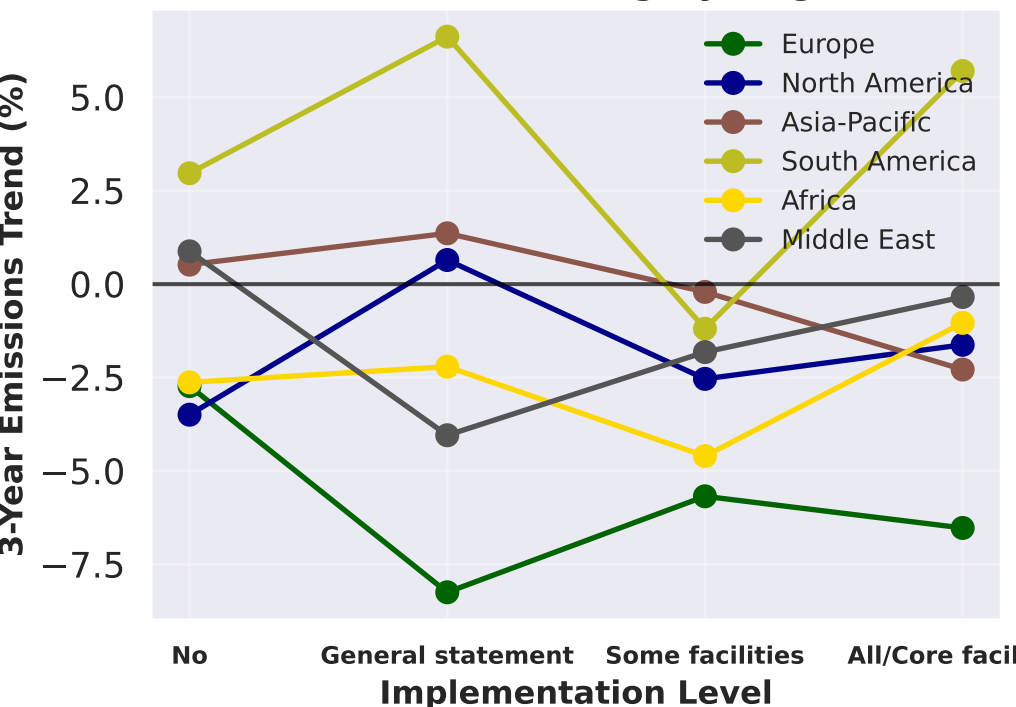

6.0 Manufacturing Strategies Effectiveness

6.1 Manufacturing by Company Size

6.2 Manufacturing by Region

6.3 Manufacturing by Industry
